Phone Case 3.0 — The Era of Creation

Phone Case 3.0 The Era of Creation

From protection to empowerment.

1.0 Protection.

Designed to safeguard.

2.0 Identity.

Evolved into individuality.

3.0 Creation.

Empower inspiration.

TORRAS leads the Stand Case 3.0 era — designed for creators who move hands-free. With magnetic suspension that allows multiple angles and a seamless back design, it unites protection, aesthetics, and function in one refined form.

NEW

Ostand O3 Air Bio

Bionic Cushion Design Inspired by Nature

- Bio-Air structure modeled after bird bone anatomy, achieving ultra-light weight with natural shock absorption.
- Precision-built with an unseen axis for seamless, minimalist look.
- Reduced back thickness for lighter weight and improved heat dissipation.

NEW

Ostand O3 Air Pro

Air² Technology Meets Refined Craftsmanship

- Precision-built with an unseen axis for seamless, minimalist look.
- Air² Technology for advanced drop protection and balanced lightness.
- Anodized gradient ring echoes the air frame, creating a unified, futuristic aesthetic.

Ostand Q5 Air Max

Air² Technology with Enhanced Grip Control

- Air² Technology delivers exceptional shock absorption in an ultra-slim profile.
- Subtle inward lines form a natural curve for a steadier, more comfortable grip.
- Streamlined structure blending stability, comfort, and style.
